

On-Track Plant Engineering Conformance Certificate

In accordance with RIS-1530-PLT – Issue 6

Certificate no.: 71/1315/23

Report no.: TRUK/B 22/184, (Issue 1, 04/11/2022). The report is an integral part of this Certificate.

Name of Plant Assessment Body	TÜV Rheinland UK Limited	Organisation Code :	71 (a UKAS accredited certification body No. 8400)
	5 Mallard Way Pride Park Derby DE24 8GX United Kingdom		

Vehicle Class / Description	912/Manitou/RR AP ART17TH/9A
------------------------------------	------------------------------

Vehicle Asset Manager	Story Plant Ltd
Issue Date	20-12-2023
Expiry Date (if any)	20-01-2029

Vehicle Number(s)	99709 912259-7
--------------------------	----------------

First in Class:	Yes
Certificate No. of First in Class:	99709 912262-1 on certificate 71/1303/23, against RIS-1530-PLT Issue 6.

Authorised by:

ESig: NDC/TUV/23/805

Certifier / Signatory Name

Neil Charles Senior Engineer

Official Stamp of TRUK, CAB Rail

Reason for Issue and Scope of Work

Reason for Issue:
Certification of upgraded Rail Products ART17TH MEWP.

Manufacturer Serial No. 0043068. Fleet No. MEWP 12

Assessed for compliance with RIS-1530-PLT, Issue 6.
Expiry date conforms to the requirements of RIS-1530-PLT.

Scope of Work

Amendment to Limitations of Use points 11 & 12 only. No engineering change.

Deviations associated with this Certificate (if none state "NONE")

NONE

Previous Certificate No.

(if none state "NONE"): 71/1012/23
